

### **Executive Director Search**

**The Alleghany Foundation board and staff recently completed a process called *Reflective Practice*, a method developed to help philanthropic institutions strategically use their resources to build more prosperous, equitable and sustainable communities.**

**In the near future, The Foundation plans to hire a new full time executive director with exceptional leadership and organizational skills who will engage with the community to implement the new strategic plan.**

**Boardwalk Consulting, Inc, an executive search firm specializing in service to non-profits and foundations, has been retained by The Foundation to pursue a qualified philanthropic executive who will work with the board of directors and the community on the new vision. If you are interested in this position, please contact Sam Pettway, Founding Director, Boardwalk Consulting, at 404-262-7392 or email at [sam@BoardWalkConsulting.com](mailto:sam@BoardWalkConsulting.com). A full Leadership Profile for the post will be available by late June.**
